Yakov
1) You have to call me and explain what M. Krygin emailed to Dr. Irena Bakshi in Russian.(I can read but do not understand).
2) I don't see a list of all passengers and crew with full names and passport numbers.
3) It could help if I know when and whom exactly (Office or tel # or Name of the official) did you approach to get the landing permit and from whom(same) you've got the negative answer.
Try to call me around noon Moscow time, Saturday (today).
